

Finity Consulting is growing and searching for graduates with great minds to join us. You will discover this is a special opportunity to become an actuarial analyst in an award winning team.

Finity is the largest independent general insurance actuarial consulting firm in Australia. With offices in Sydney, Melbourne and New Zealand we employ over 70 people and combine actuarial and operational expertise to offer a broad range of services to a large client base.

Finity has a unique non-hierarchical culture with an open work environment. When you work with industry leaders, you gain invaluable experience by observing how things are done. With your experienced colleagues just metres away, they are very approachable and your questions get answered.

Imagine yourself within a friendly and supportive environment that offers unrivalled work diversity, encourages personal growth and rewards your hard work. Now take the action to make it real. We are taking applications now.

For more information and details on how to apply visit www.finity.com.au/recruiting now.

Service Provider of the year to the insurance industry for 2006 - 2009
