

We're growing and searching for great minds.

Summer Intern Program

Finity Consulting is offering an intern program for actuarial students in their penultimate year of study.

The program offers paid work experience for 10 weeks between December and February. The program will provide you the opportunity to experience real, meaningful work and gain valuable insight into how the firm operates. Our aim is to make your experience at Finity challenging, interesting and rewarding.

Finity is the largest independent general insurance actuarial consulting firm in Australia. With offices in Sydney, Melbourne and Auckland we employ over 80 people and combine actuarial and operational expertise to offer a broad range of services to a large client base.

Internships are available in our Sydney and Melbourne offices so please specify your preference

Applications open on 1 June 2010 and close on 28 June 2010.

For more information and details on how to apply visit
