

make your mark

Where do you want to make your mark? How about...here? If you want a great start, interesting work and rewards that go hand in hand, make your mark with Towers Watson.

Who are we?

Towers Watson is a leading global professional services company formed by the merger of Towers Perrin and Watson Wyatt. We bring together 14,000 professionals from 34 countries —experts in Benefits, Risk and Financial Services and Talent and Reward —to deliver the perspectives that give our clients a clear path forward. We offer talented university students and graduates opportunities to combine their strong mathematical and communication skills in the areas of Benefits Consulting, Investment Consulting, Risk Consulting and Financial Modelling & Software.

What opportunities does Towers Watson offer students and graduates?

- **Benefits Consulting**, Melbourne and Sydney: targeting actuarial studies, mathematics, statistics, science
- **Investment Consulting**, Melbourne and Sydney: targeting finance, business, commerce, actuarial studies, economics
- **Risk Consulting**, Sydney: targeting actuarial studies, mathematics, statistics, science
- **Financial Modelling & Software**, Sydney: targeting actuarial studies, mathematics, statistics, computer science, science

Graduate Program

Towers Watson is committed to attracting and retaining highly talented individuals with strong academic results in a relevant degree, a natural intellectual curiosity, strong sense of logic and the ability to think and communicate clearly. Your academic achievements will be enhanced by extra-curricular activities giving you real-world experience of teamwork, client service and an understanding of why it's important to go the extra mile. It's the combination of these things that will set you apart. Applications for our graduate program commencing 2012 will be open in February/March 2011.

Vacation Employment

During December, January and February, we offer vacation employment to students in their penultimate year of study. This is a great way to experience, for yourself, the work we do and the part you play in our success. Many students who participate in our vacation program join Towers Watson permanently at the completion of their degree. Applications for our 2011-2012 summer vacation program will be open in June/July 2011.
